

# Our future vision 2010

In 2006 Screen Yorkshire launched a new four year programme with the support of £10.2 million from Regional Development Agency, Yorkshire Forward. The ambitious programme gives the opportunity to support and grow bright ideas and develop skills and competitive businesses. In short it will ensure that Yorkshire establishes itself as a leading national and international centre for film, broadcast and interactive media.

### Our Mission

Screen Yorkshire's mission is to inspire, promote and support the development of a successful long-term film, broadcast and interactive media sector, to grow the economic, social and cultural wealth of the region.

### Strategic priorities:

- ★ Providing Support Structures
- ★ Building Volume Drama Production
- ★ Nurturing Community Identity and Diversity
- ★ Cultivating Innovation and Entrepreneurship
- ★ Championing Yorkshire
